Event Chairs: Julie Bosworth, juliesmusicbrioso@gmail.com, Becky Hause, hause.becky@gmail.com

Date: Saturday, March 28, 2020

Location: Bell Center for the Performing Arts at Mid-America Nazarene University

Registration Deadline: February 18, 2020

Cost: \$22 / Entry

Purpose: Challenge students to demonstrate performance skills and theory knowledge in an encouraging environment.

Performance Element

Students will prepare one piece to perform for an evaluator. Evaluators will give ratings and written comments to each student. All students earning a Superior Rating will receive medals. Students receiving Excellent and Very Good ratings will receive ribbons.

Music Selections: Students should select one piece to perform for an evaluator based on the time guidelines below. A single movement of a multi-movement work is considered one piece. Works by any composer are eligible for the 2020 Festival; however, classical, folk and pedagogical repertoire is encouraged. (*Keyboard entrants: See sample repertoire list to determine division placement for students.*)

Time Constraints:

Keyboard Divisions:

Voice, Strings, Harp & Wind Divisions:

Elementary	3 minutes
Intermediate	5 minutes
Advanced	5 minutes

Audition Procedures: Prior to playing students must present the room monitor with an **original** copy of their music for the judge with measures numbered. **No photocopies are permitted** unless accompanied by a letter of authorization from the publisher. Any student who has photocopied music but not a letter of authorization will not be permitted to earn a medal, **no exceptions**.

Students will have an opportunity to test room's acoustics and/or provided instruments before performing. They should then announce their name, the name of the piece they will perform, and the composer prior to playing.

No audiences are allowed in evaluation or theory quiz rooms, including teachers and parents. Students should note that their choice of appropriate performance attire will affect their rating.

Piano and Voice students must perform from memory to earn a Superior Rating. Students in these divisions who perform with music will still receive written comments from the evaluator, and may earn an Excellent or Very Good rating. Students not performing from memory must have two original copies of their music (one for them and one evaluator's copy).

No cuts are permitted in the solo part. Cuts are permitted in accompaniment parts, and should be clearly marked in the judge's copy.

Instrumental and Voice students are strongly encouraged to have an accompanist. If there is no accompanist, a loss of 5 points will be recorded on the judge's sheet. It is also encouraged to find an accompanist in advance, so that the student and the accompanist receive adequate time to prepare for the audition. There will be no recorded accompaniments allowed during the solo festival.

Theory Element

Following their performance, all students are required to complete a theory-knowledge quiz appropriate to their level of study. See Theory Syllabus for level guidelines. All students scoring 90% or above will earn a Superior Rating and receive medals. Other students will receive participation ribbons.

Students who fail to take a theory quiz will have their performance awards withheld. (Students who have scored a 90% or above on the Level 10 Theory Quiz are exempt from taking future theory quizzes.) **Similarly, students who fail to perform for the evaluator will have their theory award withheld,** unless there are extenuating circumstances (i.e., injury).

Theory quizzes are available in thirteen levels. Numbered levels are 1 through 10, and there are 3 additional transitional levels (3A, 4A, and 5A). Levels 3A, 4A, and 5A cover the same concepts as Levels 3, 4, and 5, respectively, but the concepts are applied to brief musical

excerpts. These levels were added because the degree of difficulty increases noticeably between Levels 3, 4, and 5; therefore, it was considered prudent to add intermediate quizzes to give students an opportunity to apply the concepts learned before moving on to a higher level.

Instrument-specific quizzes are available for levels 1-4. Levels 5 and above require standardized musical knowledge. (Refer to Syllabus for specifics.) Students who earn a Superior Rating in a level the previous year must enroll a more advanced level the next year.

All students will receive a medal or ribbon for their theory quiz, to be awarded after the conclusion of the Festival. Teachers may pick up awards for students following the recording and verification of scores.
